MUNCHKIN[®]

LOVE SHARK BABY[™]

Happy Valentine's Day!

On this day, couples everywhere gaze deeply into one another's eyes while professing their undying love. Which means, of course, that they aren't paying any attention to the munchkins coming up behind them to kill them and take their stuff. Because, after all, what a munchkin loves more than anything else is *loot*.

We hope you enjoy these 15 Valentine's-themed monsters and Treasures and other surprises! Love really is grand, isn't it?
